

Horizon Europe - EU Missions calls 2022 - Virtual brokerage event

Network of Horizon Europe National Contact Points, Bridge2HE, invites you to participate in the virtual networking event in order to build your consortium for the upcoming 2022 calls of the Missions Work Programme, which will be open from May 2022 to September 2022. **Horizon Europe - Missions!**

EU Missions are an additional part of the Horizon Europe research and innovation programme for 2021-2027 which tackle big societal challenges such as climate and the environment by 2030. This additional funding will bring the implementation of EU Missions one step forward, paving the way for the next generation of research and innovation.

The main objective of the international brokerage event is to gather all the relevant stakeholders intending to apply for funding in the Horizon Europe Missions Work Programme, **build your consortium for the upcoming 2022 calls of the Missions Work Programme, which will be open from May 2022 to September 2022.**

EC INFODAYS - The brokerage event will be the day after the EU Missions Infodays organised by the European Commission.
Information: [https://ec.europa.eu/info/rese...](https://ec.europa.eu/info/research-and-innovation/eu-missions)

Don't miss the chance to get in touch with further potential consortium partners!

Thematic focus

The event focuses on following Horizon Europe – Missions calls:

- Adaptation to Climate Change
- Cancer
- Climate-Neutral and Smart Cities
- Ocean, Seas and Waters
- Soil Health and Food

The event is **free of charge** but **registration** and profile activation is mandatory to attend the brokerage event. When registering **fill in also** with information what exactly you offer or request within the scope of the calls.

Who should attend?

The event is suitable for anyone with an interest in participating in European projects in the forthcoming Horizon Europe – EU Missions topic.

- Universities
- Research Centers
- Private companies (including SMEs and large companies)
- Municipalities
- Associations/Federations
- Public authorities/Governmental organisations
- NGOs
- Clusters, Hubs
- Stakeholders engaged in R&D

Future coordinators and interested partners from all European Member States or associated countries are encouraged to attend the events.

The events will provide you with the opportunity to:

- discuss and refine your project ideas with potential partners
- build collaborations and join Horizon Europe consortia

Important issues

This B2B matchmaking forum is looking to help partners to further improve and develop their innovative idea/technology / product / service / business model.

The B2B matchmaking forum should similarly not be used by consultants to sell their advisory services to clients. Consultants with specific expertise in the area of Horizon Europe Missions are welcome provided they explain this expertise and give references of past Horizon 2020 projects they have been involved in.
